

Cool Quotes

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

Installation is very simple, and it is extremely easy to add new quotes to database through administration panel. Cool Quotes script can be integrated into any existing PHP page within minutes using a simple file include. Customization of (displayed) quotes is also very easy and all you need to do is to write few css lines of code.
