Mobile Number	{value_mobile_number}
Email	{value_email}

The Cows system was developed to offer an easy solution to provide anyone the opportunity to sell on-line. It is easy to setup, install and maintain up to 10,000 products, categorized and in alphabetical order. Built in search facilties provide an efficient option to quickly find items of interest within the whole catalogue or selected category. Other key features include: Accounts system saves re-entering address details and shows progress of previous orders and loyalty points, Automatic basket recall between sessions using cookies, Arbitrary nesting and linking of product categories, A choice of view styles, selectable on a per-category basis, lexible shipping calculations for any number of despatch methods, Any currency may be used, and Optional VAT / Sales Tax handling with multiple rates for different products.
