Creative Flash Scroller is a multipurpose Flash scroller that comes with all the scroll behaviors needed: touch scroll, mouse gesture scroll, scrollbar scroll and it also supports mouse wheel behavior plus it gives the ability to add smooth scrolling effect and motion blur effect. Other features include: the fact that can scroll any kind of flash content (static, dynamic, text, animated content), can be placed anywhere in your Flash project, can be customized to suit the design and can be reused at any time you want. Creative Flash Scroller has a price of \$49.99, requires almost no flash knowledge and it features: a revolutionary Flash like user interface, the ability to use vertical scroll and horizontal scroll in the same time, the ability to save the presets, a contextual help system, and many more.
