

CSS Menu Generator

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

CSS Menu Generator is a free WYSIWYG menu generator. With this version of the tool you can generate horizontal or vertical pull-down menu (also called "drop-down" menu). To generate your menu -- just select menu type, add menu items, customize color and font settings and get your CSS/XHTML menu code...
