Custom Invoice Number

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

With this extension you can create your own numbering schemes for all new Invoices, Orders, Shipments and Credit Memos in all you Magento installations. You can set different schemes for different views and stores. You will find a lot of options you can set in your admin panel which is very easy to use.
