

# Custom Options for Grouped Products

<b>Address</b>	{value_address}
<b>Contact Person</b>	{value_contact_person}
<b>Mobile Number</b>	{value_mobile_number}
<b>Email</b>	{value_email}

With this extension you will be able to offer grouped products that might come with different parameters. By enabling custom options for grouped products, it allows your shoppers to specify different requirements for each items of a grouped product. With this extension you will provide your customers with easy shopping experience. Full list of features is available on the product page.
