

# Customer Group Prices for Magento

<b>Address</b>	{value_address}
<b>Contact Person</b>	{value_contact_person}
<b>Mobile Number</b>	{value_mobile_number}
<b>Email</b>	{value_email}

Customer Group Prices extension does quite simple but useful things: it allows admin to specify different product prices for every customer group. Now you can run more targeted marketing, sell products by different prices for different customers, motivate your customers and even provide specific discounts for the most loyal customers.
