Customers Care

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

Customers Care is an Advanced customer management system and a Powerful Marketing tool. It allows you to manage/track your users/customers in a very flexible way. It features: keep track of your visitors, create mailing lists/ newsletters, send semiautomatic news an X amount of days after download or registration, know who has downloaded what in which category, and who has purchased what. Works with both MS Access and SQL server.
