

CzarNewfile

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

Displays the most recently modified files in the directory of your choosing, and displays it in a nice box you can include it anywhere on your website. It displays the rank, file name (with a link to the file), and date it was last modified. You can also limit how many files to display. Now allows you to limit file extensions (types) to include.
