Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

Daily Diabetes Diet Counter is a free, web-based tracking program for people with diabetes. Just open the Counter and leave it open throughout the day, adding foods as you eat them. The Counter keeps track of calories, starches, vegetables, fruits, milks, meats and fats. As you add foods, the Counter keeps a list that can be printed at the end of the day.
