Memorization of the basic addition, subtraction, multiplication, and division facts is essential for success in mathematics. Dr. Aardsma's Math Drill gives automatic flash-card drills on your computer - building confidence and sharpening your students' math skills. Dr. Aardsma's Math Drill automatically tailors each flash-card drill to the unique needs of the individual student - spending more time on his or her weak areas. It reinforces quick recall by setting speed expectations based on each student's own past performance. Dr. Aardsma's Math Drill makes instant adjustments that maximize results and are impossible with manual flash card drills.
