DragPic is a complete showcase tool written as a Mootools 1.3 Class (also compatible with Mootools 1.2.5), which allows you to create versatile image galleries: Create online catalogues, professional photographic portfolios, iPhone like galleries, online magazines and more creative solutions based on an extremely didactic user interface. You can also enable the navigation buttons and frames number or even use the mouse wheel to scroll the gallery. Highly customizable and simple; this powerful tool can be the right solution for many of your projects. Drag, Click or Scroll.. you're ready for DragPic Gallery by @davoscript!
