

# Drop Shadowed Thumbnail Creator

<b>Address</b>	{value_address}
<b>Contact Person</b>	{value_contact_person}
<b>Mobile Number</b>	{value_mobile_number}
<b>Email</b>	{value_email}

This class allows you to very easily create thumbnails of images, on which you can also apply a drop-shadow effect. You can control the colour of the background so that drop-shadow will fit better onto your page and the size of the thumbnail. You can resize in an absolute or relative way (to a certain size or by a certain size), both as a pixel number or a percentage.
