DZOIC Handshakes Professional (social networking script)

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

DZOIC Handshakes is the best solution for building your own social networking service, just like Friendster, Facebook or MySpace. Handshakes is fully customizable and easy to use. It is delivered together with 100% Open PHP, PSD and FLA sources giving you a full control over completely every part of the script. Key features: powerful admin console, install guide, facebook style wall, social bookmarking, tag clouds, profiles (admin can modify profile questions), audio and video blogging, voice and video messaging, audio and video comments, video chat, image voting, classifieds, events and calendar, clubs, music and videos, FLV and MP3 players, e-cards, forum, polls, bulletins, flash chat and instant messenger, address book import (supports Yahoo!, GMail, AOL, Hotmail, MSN, MySpace), PayPal IPN support. If you are looking for an ideal social networking portal solution then you have just found it!
