

E-Friends Social Networking Software [Start your social network like facebook]

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

E-Friends is an online social networking script that allows you to start your own profitable community just like Facebook.com social networking site plus the ability to offer paid membership subscriptions. E-Friends allow members to connect to people in their personal networks and make friends, match making, dating, blogging and join groups and events. Features include mobile plugin, messaging system, classifieds, join groups, forums, affiliate program integrated, online chat, personal blog, calendar, custom profile URL, friends search, invite friends, hotornot image ranking, advance admin control panel, upload photos and many more. E-friends also offers extensive optional plugins such as iGoogle.com clone and Pinterest.com clone which you can plugin-and-play into your E-friends site and offer value added features and boost customer retention
