

# E-Quotes

<b>Address</b>	{value_address}
<b>Contact Person</b>	{value_contact_person}
<b>Mobile Number</b>	{value_mobile_number}
<b>Email</b>	{value_email}

This script will manage and display categorized quotes on your website. Posting positive customer feedback on your site is proven to encourage new purchases, eQuotes will make it easy for your customers to submit comments and even easier for you to manage and display these comments. You could also use this script to display quotes by famous people on your site. We use eQuotes on our own sites to display quotes by satisfied customers.
