Now you can generate recurring income month after month with a membership site! Do you have a lot of quality content and only paid members should get access to it? This incredible PHP script lets you run a money making membership site, on 100% autopilot! Run a subscription site like the Internet marketing pros. Generate recurring income, month after month. Get paid without having to set up a merchant account. Automatically manage all your subscription accounts. Wouldn't it be great if you could run your very own high-dollar subscription web site? Money just pours into those sites, doesn't it? But it costs plenty for the script to run a site like that, right? Everyone know that's ever looked into it that it's very expensive to get started with a real membership web site of your own. Not any more! With this cheap script you can easily manage a subscription site without spending a fortune to do it.
