Ease Mp3 Recorder makes a complete recording studio of your computer. With Ease Mp3 Recorder you can record your own music, voice or other sound you hear, either voice from microphone, webcasts from the Internet, music played by Winamp, Windows Media Player, Quick Time, Real Player, Flash, games, etc. Sound quality of the recordings remains excellent, or sounds even better for Ease Mp3 Recorder reduces noise. Ease Mp3 Recorder is able to automatically detect the recording formats your sound card supports and then set the application's parameters for the best possible performance. Your recordings are then saved as PCM or MP3 or OGG or VOX or RAW or GSM or G723 or G726 or ADPCM or DSP or a-LAW or u-LAW or WMA file. New version add the schedule function and file limitation - by time or by file size - function.
