<b>Mobile Number</b>	{value_mobile_number}
<b>Email</b>	{value_email}

Easy Cash Method, is a Viral Membership Script, it is simple to install, and allows unlimited levels of members, you can set this up to charge for different levels (all via PayPal) and even encourages users to Email their friends to move up a level. So you can offer 1. Free Content, as a user signs up, he can see a One Time Offer, plus Email his friends (up to 5 per time). 2. Paid For Content, which he can either recommend x no of Friends (you decide how many) or pay via PayPal. This is easy to edit too. Full instructions are provided. Includes a Mult-Site license, so you pay once, and then can setup as many Membership Sites as you want. Packed with a ton of features to make your life easier, and to give you more control over your empire of viral memberships. Built in affiliate system Powerful newsletter panel Export user list Detailed financial statements Monthly affiliate statements Multiple membership levels Full control over content Template driven style
