Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

EZGuest allows you to offer guestbook services at your site. Visitors to your site will be able to create their own guestbooks simply by filling in a few fields. You can change color selections, control email acknowledgement and modify retention rules any time without bothering the guestbook entries. EZGuest is a modified version of the guestbook script originally written by Matt Wright.
