Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

This script allows your visitors to be able to create (and edit) their own web pages at your site. Each user will be able to edit text as well as clip art choices. EZHOMEPG also includes a starter set of clip art images for splash graphics, backgrounds, horizontal separators, bullets and animated email icons so there are more choices available for creating a wide variety of homepages.
