

Easy Poll Maker

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

Easy Poll Maker allows your guests to build their own survey pages at your site. They can either include a typical link in the middle of their page, or embed the whole survey in an area in the page. Users can also select a color scheme, toggle duplicate vote checking, control amount of historical votes to save and specify the period of time to look back for checking duplicates.
