

eDE

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

With eDE, you create multiple output files (single HTML page, multiple HTML pages, HTML Help, PDF) from a single DocBook XML source file. eDE installation is quick and easy. eDe enables you to work document-centric and supports advanced features like profiling, document-specific stylesheets and much more. eDE allows for easy automation of document generation and is easy to customize. A sophisticated backup and restore mechanism makes collaborative working very easy.
