Edit-X is the creator and supplier of advanced Web Content Management and eCommerce software -- featuring the Content Control Framework. Edit-X CMS is a set of cutting edge tools to build and manage your dynamic, database-driven Web site. Plus, our intuitive user interface makes it a breeze to setup your site and manage high-volumes of content. Edit-X CMS features enhanced tools for larger content management environments and offers support for multiple sites and unlimited authorized users. Users have an intuitive WYSIWYG (What You See Is What You Get) editorial interface that makes adding and updating content as easy as using a word processor. Edit-X CMS is designed to give organizations of all sizes a scalable solution for managing online information.
