

EditPad Lite

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

EditPad Lite is a convenient, carefully designed text editor and Notepad replacement. It has all the features a solid text editor needs without any bloat. You can open as many files at a time as you want, with no arbitrary file size limit. Each file will have its own tab. You can convert between ANSI, ASCII and Unicode, work with Unix and Mac files. Search and replace across all open files. Unlimited undo and redo. Powerful print preview.
