eFTP Explorer

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

Designed from the beginning to keep file transfers as hassle-free as possible, eFTP does just that by presenting FTP sites in a familiar Explorer-type interface. With a tree view on the left, changeable file view on the right, and Internet Explorer/Office "buttonless buttons" eFTP Explorer breathes familiarity. With power features like file synchronization and scheduled downloads, makes eFTP a must for anyone transferring files on the internet.
