eJobBoard Job Board Software

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

eJobBoard is the primary job board software which allows you to implement a fully featured recruitment website with advanced management tools for both the jobseeker and the recruiter. eJobBoard is designed to be flexible and can integrate with your existing website and requires no technical or programming skills to administer or set up. Whether you are looking for a simple recruitment website or a fully featured job board software package, eJobBoard is the right choice for you.
