Mobile Number	{value_mobile_number}
Email	{value_email}

Eltima Java/SWING Components extend the standard set of visual library components, offering new ways to present your creativity to clients. You can add new attractive styles to your software, buttons, color dialogs and integrate Eltima Java/SWING Components into your Java applications or applets. Use new Table Navigation Toolbar component to insert, duplicate, delete entries etc., new search mode and new methods for printing in ELTable component.
