

Email This

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

With Email This, you can create and set up any number of text files and allow your users to request one or more of the files via email by filing out a form you provide. It will then automatically email those files to them. It will also email you with the detail info on who has requested which files, etc.

For more details, please visit <http://scripts.goclix.com/email-this-12397>
