

# EPay Enterprise

<b>Address</b>	{value_address}
<b>Contact Person</b>	{value_contact_person}
<b>Mobile Number</b>	{value_mobile_number}
<b>Email</b>	{value_email}

The most advance and comprehensive version of our EPay series and in the market at the moment, EPay Enterprise is the ultimate solution for those who wish to run their own payment processor business just like Paypal or Stormpay. EPay members can use their accounts to send money to other users, they can pay for auctions or purchase any other products with just a email address. Features: Works just like the popular PayPal payment processing network , SSL enabled, IPN support, Supports automated recurring billing, 100% template driven allowing you to create a brandable site, Ability to ban/suspend user, Built-in affiliate program and escrow module, Members can start their selling products and subscription services and Advance admin control panel. Integrate with our mobile app solutions to offer ewallet and mobile POS service.
