

# exJune Office Message System

<b>Address</b>	{value_address}
<b>Contact Person</b>	{value_contact_person}
<b>Mobile Number</b>	{value_mobile_number}
<b>Email</b>	{value_email}

Take phone messages for your office or business. Message System collects contact numbers of all incoming calls, stores and organizes archived messages for quick and easy searching. Check your messages and access your contact list anywhere in the world. •> Stop searching through memo pads and post it notes for incomplete messages. •> Never miss a call again, never look for a phone number again. Once a message is taken, the contact number is added to your contact list. •> Quickly search through archived messages. •> Check your messages anywhere in the world with an internet connection. •> Access your contact list while out of the office. •> Easy to use, familiar layout.
