

Featured Products 3

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

With the Featured Products 3 extension, you can display a specified number of products using a grid layout based on thumbnail images of your popular products. Inserted in the predefined position or via layout, CMS, and widgets, your featured products block can be displayed at any page of your Magento store.
