

File Uploader Pro v4.1

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

File Uploader Pro © Has many features and options that allow you to have total control over the files being uploaded to your site, and all of your sites other forms with or without file upload! No matter if your a Graphic design house or a custom fabricator that needs customers to be able to upload any type or size of file to your site, be it an image, CAD, or a whole CD, File Uploader Pro can handle it. You set the file types that are allowed to be uploaded and File Uploader Pro will handle the rest!
