

FireStorm Ecommerce Shopping Cart Plugin

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

The FireStorm Ecommerce Shopping Cart Plugin is a free WordPress plugin that allows you to turn your WordPress website or Blog into a fully functional online store. The plugin is ideal for any corporate, small business or home based store. The administration is easy to use and loaded with features. It operates stand-alone which means it does not require blog posts for each product. This allows you to keep your blog separate from the store.
