Flash Popup Menu Wizard is a tool that allows you to design your Flash based vertical menu in a few minutes and instantly see the results. Flash Popup Menu allows only single level sub menus. The program gives you complete control over appearance of your menus, including options for specifying font, font size, icons, colors, dimensions, and more in a easy-to-use interface. Flash Popup Menu doesn't use any image for menu items. Flash Popup Menu Wizard can embed a font in a menu movie.
