

# Floating Social Media Icon

<b>Address</b>	{value_address}
<b>Contact Person</b>	{value_contact_person}
<b>Mobile Number</b>	{value_mobile_number}
<b>Email</b>	{value_email}

Its not just another social profile linker plugin. Floating Social Media Icon is an easy to use plugin which allows you to configure essential social media profile links, like Twitter, Facebook, Youtube and LinkedIn from plugin settings and you also have option to select an icon style from the icon packs available. We will be upgrading plugin frequently with new set of icons. The social media icons will load in an animated way where it will stay and float on your website or blog's right bottom We Always Look Forward Your Comments and Suggestions for Future Updates. You can Submit Your Comments at our Website
