FSS - Full Screen Sliding Website Plugin

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

The live preview is just a sample of what can be accomplished with FSS . It can be easily integrated into your website by placing a piece of javascript code between the tags. FSS can work with any website, regardless of its design. You can create full screen and scrollable AJAX websites in no time.
