FTPhp Manager

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

FTPhp Manager is a web-based FTP client and (to an extent) proxy. FTPhp Manager is *not* designed to be one's primary FTP client. Rather, it is designed for use when an FTP client is not available (such as when at a public terminal) or is terribly restricted.
