FunkyASP Link Checker

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

How often do you check that sites you have link swapped with still link to you, this script will automatically check the sites that you exchanged links with and tell you if they are still linking. We used to spend hours checking people were still linking to us so we made a script to check for us.
