Gallery Server Pro

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

Powerful, open source digital asset management and web gallery. Share and manage photos, video, audio, and other files from your own website. Automatically encodes video and audio to web-friendly formats. Extracts metadata into editable, customizable properties. Supports watermarking, user security, searching and community galleries. Easily add your existing media library. Rotate, rearrange, or add captions to your objects.
