GameBackupSystem helps create exact and legal copies of all your popular games. This prevents possible disk damage, scratches and lost disks. It supports all popular video games systems, such as Xbox 360, Nintendo Wii, PlayStation 3 and many other consoles, as well as computer games and dvd and blue-ray movies. GBS works for windows, mac and linux and it's a combination of software and tutorials, unique for each operating system and gaming console. A 60 day money back guarantee is available if you're not satisfied with the purchase for any reason. We also have dedicated support stuff to help you set it up and use.
