# Grizz's Free Links Script

| | |
|---|---|
| **Address** | {value_address} |
| **Contact Person** | {value_contact_person} |
| **Mobile Number** | {value_mobile_number} |
| **Email** | {value_email} |

This Script is a modified version of Cliff's Free Links Script. It has built-in search engine and random link feature and has an option to send a customizable e-mail to people when their link is added. It also counts the number of hits each link gets as well as the total number of hits to the FFA page. From the admin page you can easily add and remove sections, easily lock out offensive text and URLs and delete unwanted links.
