Combination typer, image presenter, news ticker, story board, and more; highly configurable and adaptable... Features multi-image support, each positionable; multiple images per page, transparencies, and overlays. Sound cues supported: 5 sounds & a typing sound. Linking is flexible and dynamic, including wait-for-click & continue typing mode. Full mouse control, speed-change on mouseOver and other effects. Complete line-by-line text control over font style, size, color, indent, margins, linespacing; versatile rectangle-draw tools for 3D boxes and overlays, any color, anywhere in the applet space. Instead of lines and lines of parameters, Gutenberg uses an ingeniously simple script system. Comes with a full download kit and complete doc, and demos.
