

# HarePoint Active Directory Self Service

<b>Address</b>	{value_address}
<b>Contact Person</b>	{value_contact_person}
<b>Mobile Number</b>	{value_mobile_number}
<b>Email</b>	{value_email}

With this SharePoint web-part administrators can provide users with the possibility to update their Active Directory profiles. For example, to change the mobile phone number or photo. It helps to maintain Active Directory profiles practically at no cost. Product allows to configure the set of profile fields to show, mark some fields as read only and edit web-part layout. This product is compatible with SharePoint 2007 and SharePoint 2010.
