## **HJB Flash Cart**

Address Contact Person Mobile Number Email {value\_address}
{value\_contact\_person}
{value\_mobile\_number}

{value\_email}

The HJB Flash Cart will dramatically decrease your abandonded shopping carts because customers never have to refresh the browser window. Supports PayPal, and Authorize.net, as well as email only orders. Completly search engine friendly. Done entirely in Flash, with php and mysql integration, all your products load seemlessly. Have to see to believe the power of the HJB Flash Cart.
