Holiday Booking Software

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

This is a management tool for holiday letting businesses. Holiday Booking Software allows you to promote your facility on the internet, offering customers an online booking service via your own website which you can easily control yourself. With Holiday Booking Software you will be able to, Manage your own bookings, Allow customers to book and pay online, Take deposits online, Automatically generate invoices, Add pictures and amend text without the need to involve a web designer, Allow customers to view available booking dates, Encourage customers to contact you with an online response form, Track your customers, Export your holiday bookings data to a Microsoft Excel spreadsheet. With the Holiday Booking Software you can create a great website, adding cottages, apartments, villas or caravans. You have full control and payments can be processed instantly via Paypal or by post via cheque.
