

Holiday Decoration Toolkit for Magento

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

Now you may easily decorate your store for any holiday or special occasion without having to change your theme. Holiday Decoration Toolkit enables you to put up decorations and ornaments on your website per your own design in a convenient and intuitive drag-and-drop interface. The decorations are easy to put up, and are just as easy to remove. The extension comes with a basic set of images in PNG format that have transparent backgrounds and are scalable. You may upload any images you need to the widget palette, as long as they are of proper format. Remember: holiday spirit helps increase holiday sales! Full list of features is available at the product page.
