| Address | {value_address} |
| Contact Person | {value_contact_person} |
| Mobile Number | {value_mobile_number} |
| Email | {value_email} |

Horizontal Flash Menu Wizard is a tool that allows you to design your Flash based horizontal menu in a few minutes and instantly see the results. Horizontal Flash Menu allows only single level sub menus. The program gives you complete control over appearance of your menus, including options for specifying font, font size, icons, colors, dimensions, and more in a easy-to-use interface.
