

How to Add Magento Product Video Programmatically

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

A video is better than a thousand pictures. In order to fully educate your customers about your product, the best you can do is add a video. The video can explain the product in details such as what the product is about, how to use the product, the benefits of the product etc. Customers prefer videos as it provides maximum details in less time. Adding YouTube videos related to product in Magento product page can increase the product's sales.
