<b>Email</b>	{value_email}

Display your portfolio or media albums in a unique way with Gravity Gallery. With awesome physics and great graphics it channels the full power of HTML5 . It's fully compatible with lightbox galleries like prettyPhoto so you can zoom on your showcase photos / videos with no problem. Customise the gallery size, items size and their parameters. With these options, the possibilities with what you can do this gallery are endless. It can be customized by users with basic HTML skills. This gallery is compatible with all the major HTML5 browsers – Firefox, Chrome, Opera, IE9 , Safari. Even provides a fallback for IE8 and IE7 so you won't miss a single client with the media you are showcasing, even on a older browser. Also it's fully touch compatible and optimized and it works great on the iPad / iPhone.
